

Shipping at Southampton

An aerial photograph showing the line-up at Southampton New Docks on 11th August. From right to left: Orsova; a General Steam Navigation vessel; Pretoria Castle; Thisleroy, a grain vessel; Windsor Castle; Canberra; Oriana; Himalaya; G.P.O. cable ship Monarch. Between the gantries leading from Rank's Mill to the Thisleroy can be seen the new building of the London and Southampton Steamship Co. Ltd. Beyond the Orsova at 101 Berth are the new offices of the Union-Castle Line at Southampton, also for completion next year. The large white building slightly behind this is the new "U" Bond of the Solent Wine and Spirit Co. Ltd.
